

Dear Dr. Henney,

I am writing to express my concern ~~over~~ the
FDA's regulation of genetically engineered
(GE) food, to ask that the agency's current
policies be changed, and to support all the
points in docket #00P-1211/CPI.

- ☒ All GE Foods should be labeled so I am
informed and have a choice.
- ☒ GE Foods should not be assumed to be
"generally recognized as safe" and should
have mandatory pre-market safety testing
- ☒ There should be a moratorium on GE
Foods until long-term studies show they are
safe for human health and the environment.

(Additional Personal Comments:)
